Dear Friends,

It is our distinct honor to be able to provide a matching gift for the donations to the In-Home Care program of The ALS Association Greater Philadelphia Chapter.

Our lives and careers have been dedicated to helping people care for their loved ones in their homes. Nothing is closer to our hearts than supporting innovative ways for people to live longer, more independent lives.

This is a unique opportunity to directly impact the lives of patients like Mary, enabling them to stay in their homes and lead independent lives for as long as they can.

In-home care services are possible because donors like you realize the importance of every ALS patient's dignity and comfort. Mary can continue to live on her own and remain an advocate for herself and others with ALS: "It's my core mission to help the greater community."

Please join us in supporting The ALS Association Greater Philadelphia Chapter's In-Home Care Program. Your gifts make a tremendous difference in the lives of ALS patients and families.

With gratitude,

Lori and Kent Griswold
